II. REMOVAL OF CLAIM FROM AUDIT

This Notice is an official communication from the Claims Administrator for the NFL Concussion Settlement Program. We previously told you that your claim was in Audit under Section 10.3 of the Settlement Agreement and the Rules Governing the Audit of Claims ("Audit Rules") adopted by the Special Masters.

Under Audit Rule 14, this Notice is to inform you that we have concluded our Audit of your claim and determined that there is not a reasonable basis to conclude that there has been a misrepresentation, omission, or concealment of a material fact. We will resume processing your claim from the point at which we suspended review because of the Audit. If we already have issued a determination notice for your claim and the deadline to appeal the determination had not yet expired when we began the Audit, or if you had already appealed the determination, we have preserved your right to appeal or stayed the appeal process. We soon will issue a new determination notice for any claim not yet in the appeal process, and for any claim in the appeal process, we will resume processing the appeal.
